- Ensure that data is revised and cleaned, and that all revisions are recorded;
- Conduct analysis on collected data as per ToRs;
- Ensure that meaningful techniques are used to analyze the data collected;
- Ensure that data and its analysis are validated by IMPACT HQ before product drafting stage;
- Ensure that data and its analysis do not contain personal information and are validated by IMPACT HQ before sharing to external parties;
- Ensure the quality and accuracy of technical information provided as well as the confidentiality and protection of collected information.

4. Product drafting

- Ensure the writing of timely and accurate assessment reports and factsheets, which comply with IMPACT's guidelines;
- Communicating in advance with GIS colleagues mapping needs for the production of assessment outputs;
- Ensure that all written products are validated by IMPACT HQ before external release;
- Maintain regular communication with IMPACT Country Focal Point and IMPACT HQ on progress and deadlines for written products.

5. Product dissemination and evaluation

- Support IMPACT Country Focal Point in the dissemination of research products, including through articles, IMPACT social media contents, targeted e-mails, presentations, meetings, etc, in line with IMPACT Dissemination and External Communication Guidelines and Research ToRs;
- Under supervision of IMPACT HQ, ensure that research products are uploaded in relevant data portals, as specified in Research ToRs;
- Under the supervision of the IMPACT Country Focal Point, ensure that lessons learned are gathered and documented at the end of each research cycle;
- Support the IMPACT Country Focal Point to conduct monitoring and evaluation as specified in the research ToRs and in line with IMPACT Guidelines.

6. External relations

- Under the coordination of the IMPACT Country Focal Point, ensure that relevant partners are consulted and involved in: the preparation of the assessment; data collection; data analysis; review of research products; product dissemination; and lessons learnt;
- Document and file all external engagement during each research cycle;
- When requested by the IMPACT Country Focal Point, participate in inter-NGO meetings and those of UN agencies and any other relevant, while maintaining the positive image and overall credibility of the organization.
