

RESEARCH MANAGER

BACKGROUND ON IMPACT AND REACH

IMPACT Initiatives is a humanitarian NGO, based in Geneva, Switzerland. The organisation manages several initiatives, including the REACH Initiative. The IMPACT team comprises specialists in data collection, management and analysis, GIS and remote sensing. IMPACT was launched at the initiative of ACTED, an international NGO with headquarters based in Paris and presence in thirty countries. The two organizations have a strong complementarity formalized in a global partnership, which allows IMPACT to benefit from ACTED's operational support in its fields of intervention.

We are currently looking for a Research Manager to lead our Inter-Sectoral unit in Venezuela

Department: IMPACT
Position: Research Manager
Contract duration: 12 months (pending funding)
Starting Date: May 2025
Location: Caracas, Venezuela

POSITION PROFILE

IMPACT is seeking an experienced candidate who has previously managed teams and implemented projects in a complex humanitarian setting. The Research Manager will be responsible for overseeing the development and strategy of the Inter-sectoral unit, under the supervision of the IMPACT Country Coordinator, and IMPACT HQ in Geneva. The candidate should be comfortable representing IMPACT with donors and be able to coordinate and liaise with a range of senior external partners. The role of the Research Manager is to drive the strategy and workstreams of their unit at a moment in Venezuela where it is critical that prioritization exercises for limited funding are based on solid evidence. This position requires a profile that can be both analytical and managerial, as the Research Manager's job can range from coordinating with external partners (whether data actor, humanitarian cluster, or donor) to analytical oversight of research products to logistics.

RESPONSIBILITIES

The Research Manager's responsibilities will include:

STAFF MANAGEMENT

- Direct management of international and senior national team members, including recruitment and staff career management.
- Development and implementation of capacity training plans for team members;
- Day-to-day management of team members, including the development of work plans and performance indicators.

PROJECT/RESEARCH CYCLE MANAGEMENT

- Ensure all assessments and analysis are planned and implemented in a structured and coherent manner, in line with relevant project and strategic objectives, and with global REACH guidelines;
- Oversee all research cycles, including reviewing ToRs, methodology notes, tools, products and dissemination strategies.
- Ensure the writing and production of timely, accurate and analytically rigorous reports, assessments, and factsheets;
- Ensure relevant stakeholders and partners are engaged in assessment design and planning;
- Monitor output achievement, project expenditure and ensure timely completion of the project.
- Actively advocate for the improving of analysis within REACH products, and using common methodologies, tools and analysis frameworks across units where relevant

GRANTS MANAGEMENT

- Under the guidance of the Country Coordinator, manage grants, including initial discussions with donors, conceptualisation of new projects, drafting proposals, regular reporting, and M&E;
- Under the guidance of the Country Coordinator, oversee the financial management of all grants covering relevant projects, including oversight of budget and expenditure;
- Ensure that contractual obligations are met in terms of programs deliverables.

EXTERNAL ENGAGEMENT

- In coordination with the Country Coordinator, represent REACH with donors, partners, and the wider humanitarian and development community in Venezuela.

STRATEGY DEVELOPMENT AND IMPLEMENTATION

- Under the guidance of the Country Coordinator, develop the Inter-sectoral unit's strategy, engagement and involvement with various technical and coordination forums;
- Work with key clusters and partner organizations and working groups to understand the various relevant information gaps within Venezuela and identify how the inter-sectoral unit can work to fill these gaps;
- Contribute to the development and implementation of the REACH Venezuela country strategy;
- Develop and implement tailored, innovative, dissemination strategies to strengthen the impact of the inter-sectoral unit programmes;
- Engagement with HQ on inter-sectoral research and/or coordination and provide support to relevant IMPACT Global Community of Practices (CoPs).

The Research Manager will maintain the strictest confidentiality on all data collected and related processes. They will actively take measures to prevent the unauthorized sharing of any information and data belonging to IMPACT and its partners or collected during his/her assignment with IMPACT.
